General Notice

Lastly, we are always looking at ways to improve what we do, and have for some time now been using a system called Online Scout Manager to support our sections administration. We are hoping to begin making full use of this by activating the parent portal from September. However, we will be in touch with more details through the summer- to see the feature this will bring for you, please take a look at their website: <https://www.onlinescoutmanager.co.uk/features/parents.html>
