**Group Allotment**  
**Scout Section Community Challenge Activity**

**Site Clearance Day – Friday 1<sup>st</sup> June 2018**

Dear Parents & Scouts

The Group, after many years of waiting, have now secured an opportunity to have our own allotment. The Allotment Site is located on Mosslands Drive, Wallasey.

The first of our activities is a site clearing day and is taking place on **Friday 1<sup>st</sup> June 2018**, and we would very much like to have a two partys of Scouts helping, one in the morning and another in the afternoon.

The Plot we have been allocated is next door to a plot operated by our Scout Leader, Steve winter, and has been unattended for some years. So, our initial activity for the first year of our tenure is one of a Community Project to clear the plot and bring it back into service for planting. If we can do this quickly, we may also be in a position to get some planting in this year, so our Scouts can see the fruits of their labour.

So that we can coordinate our first activity, we have put an expression of interest form onto the Group website. The form also asks for expressions of interest from parents to see in what ways you might be able and willing to help too. Could we therefore ask that all Scout parents complete the following form in full:

<https://www.12thwallasey.co.uk/allotment.php>

If we then get enough support from the Scouts, and parents, the Group can then make a decision about keeping the plot and extending access to allow the Cubs & Beavers to also come along and do some planting of their own.

Thank you all for your time in completing the online form, and if you have any questions, please don't hesitate to get in touch.

Yours in Scouting

**Hawkeye**
